The committee advises the administration in all aspects of undergraduate and graduate co-curricular student life, providing collaborative discussion related to policy initiatives, concerns, and long-range plans that impact students. Also among the committee's responsibilities is providing input on student life issues covered in the Student Handbook. The committee meets at least three times per semester and reports annually to the Faculty Senate regarding its discussions. The minutes of the committee are sent to the Provost's Office and posted on the Lehigh University Faculty Senate website.
