

CIM Changes October 5, 2018 Faculty Senate Meeting

BU-MS-AppEcon : Applied Economics	
CHE 456 : Stochastic Processes: Theory and Applications in Biology Also listed as: BIOE 456	New Course Proposal
CPSY 456 : International School Counseling II: Trauma & Resilience in Schools	New Course Proposal
CPSY 457 : International School Counseling III: Issues & Practicum	New Course Proposal
EN-CERTG-GradCertinProbModeacroEngiScie : Graduate Certificate in Probabilistic Modeling across Engineering and Science	New Course Proposal
EN-CERTG-GradCertProginChemBiomEngi : Graduate Certificate Program in Chemical and Biomolecular Engineering	New Course Proposal
MAT 459 : Thin Film Deposition, Processing, and Characterization	Substantive Course Change Proposal
CEE 059 : Strength of Materials	Substantive Course Change Proposal
BIS 044 : Business Analytics I	New Course Proposal
BIS 111 : Introduction to Information Systems	Substantive Course Change Proposal
BIS 244 : Business Analytics II	New Course Proposal
BU-BS-Fina : Finance	
BU-BS-Mana : Management	
BUS 001 : Foundations of Business Introduction to Business in a Global Environment	Substantive Course Change Proposal
BUS 002 : Introduction to Business In a Global Environment (for Non First-Year Students)	Course Deactivation
BUS 003 : Business Communication I	New Course Proposal
BUS 005 : Values Based Decision Making for Business	Course Deactivation
BUS 203 : Business Communication II	New Course Proposal
CEE 159 : Structural Analysis I	Substantive Course Change Proposal
CSB 312 : Design of Integrated Business Applications I	Substantive Course Change Proposal
CSB 314 : International Practicum	Substantive Course Change Proposal
EN-BS-CompEngi : Computer Engineering	
EN-UGMINR-Nano : Nanotechnology	
FIN 125 : Introduction to Finance	Substantive Course Change Proposal
MAT 359 : Thin Film Deposition, Processing, and Characterization	Substantive Course Change Proposal
MGT 043 : Organizational Behavior	New Course Proposal
MGT 243 : Leadership in Organizations	New Course Proposal
MGT 301 : Strategic Management in a Global Environment	Substantive Course Change Proposal
MGT 333 : Human Resource Management	Substantive Course Change Proposal
BU-MS-AppEcon : Applied Economics	
CHE 456 : Stochastic Processes: Theory and Applications in Biology Also listed as: BIOE 456	New Course Proposal

CPSY 456 : International School Counseling II: Trauma & Resilience in Schools	New Course Proposal
CPSY 457 : International School Counseling III: Issues & Practicum	New Course Proposal
EN-CERTG-GradCertinProbModeacroEngiScie: Graduate Certificate in Probabilistic Modeling across Engineering and Science	New Program Proposal
EN-CERTG-GradCertProginChemBiomEngi : Graduate Certificate Program in Chemical and Biomolecular Engineering	New Program Proposal
MAT 459 : Thin Film Deposition, Processing, and Characterization	Substantive Course Change Proposal
BU-MS-AppEcon : Applied Economics	
CPSY 456 : International School Counseling II: Trauma & Resilience in Schools	New Course Proposal
CPSY 457 : International School Counseling III: Issues & Practicum	New Course Proposal
MAT 459 : Thin Film Deposition, Processing, and Characterization	Substantive Course Change Proposal
