Lehigh University Diversity, Inclusion & Equity Action Plan
An Unequivocal Commitment to Promoting Diversity, Inclusion and Equity

Our Mission Statement commits Lehigh University to being a “caring community deeply committed to harmonious cultural diversity as an essential element of the learning environment.”
PRIORITY:

Enhance Our Culture

We envision an equitable culture and campus environment in which the quality of one’s experiences and outcomes do not differ based on one’s identity group. To achieve this, the Lehigh community is thinking creatively, and listening to all of the communities most impacted by systemic neglect or discriminatory attitudes or behaviors.
PRIORITY:

Improve Institutional Infrastructure

Our goal is to evaluate and reimagine Lehigh’s institutional infrastructure to ensure progress in achieving its diversity, inclusion, equity and antiracism goals.
PRIORITY:

Diversify Faculty and Staff

A more diverse faculty and staff and a deeper, more widespread understanding of diversity issues will enable us to provide a balanced educational experience both inside and outside the classroom. It will also better prepare Lehigh students to be successful global citizens and leaders in a complex and changing world.
PRIORITY:

Expand Student Access and Support

Recruiting, retaining and graduating a talented and diverse student body are critical to attaining a truly equitable community and to preparing our students to become successful leaders in a diverse, multicultural and global world. To do so, we must provide the best educational opportunities and build a supportive environment that ensures that all students feel welcome, understood and able to express their perspectives, experiences and views in a context of mutual respect.
1. **Enhance Our Culture.**
   - Implemented programming, such as the weekly campus-wide Community Conversations About Race series hosted by the Office of Multicultural Affairs, and regular events through the Center for Gender Equity and the PRIDE Center, among others
   - Developed and established a new Chosen Name Policy and Policy for Designating Gender Identity and Legal Sex, also known as the Gender Identity Policy
   - Convened the Lehigh University Police Department (LUPD) Review Committee to strengthen relationships between LUPD and the Black, Indigenous and People of Color (BIPOC) communities of Lehigh, as well as with the surrounding community
   - Received recognition for efforts to enhance our inclusive community, such as Higher Education Excellence in Diversity (HEED) Awards from INSIGHT Into Diversity magazine, ranked on College Consensus’ “LGBTQ Friendly Colleges” list and named among “The 30 Safest Colleges for Jews” by Forward

2. **Improve Institutional Infrastructure.**
   - Established antiracism task force
   - Secured $2.5 million endowment to create the Marcon Institute for research and study on social injustice
   - Reexamined guidelines for prioritizing diversity, inclusion and equity commitment in processes, such as the contractor selection process
   - Expanded mental health and wellness staff, as well as increased accessibility to services, in order to support a neuro-diverse student body

3. **Diversify Faculty and Staff.**
   - Joined the National Science Foundation’s iChange/Aspire network. The Aspire Alliance is a national project aimed at developing more inclusive faculty recruitment, hiring and retention in STEM disciplines at universities throughout the U.S.
   - Developed and implemented practices to improve faculty diversity, such as the Faculty Diversity Search in Engineering
   - Added to the university’s professional development offerings for faculty and staff to encourage diversity, inclusion and equity learning, such as through the Cornerstones of Community and Faculty Workshop on Inclusive Excellence

4. **Expand Student Access and Success.**
   - Expanded support for diverse and underrepresented undergraduate and graduate students through new programs, such as those supporting women in STEM, first-generation and limited-income students, Jewish Student Center
   - Developed and implemented new approaches to recruiting diverse and underrepresented undergraduate students
   - The College of Business implemented a partnership with Xavier University of Louisiana, an historically black college, to enhance access to graduate education for underserved populations

Our community is committed to change and to the enhancement of our Diversity, Inclusion and Equity programs and actions. While progress in recent years has addressed important gaps, the work is far from over. These times call for more bold steps and well-executed initiatives to become a truly inclusive community that fosters respect and civil discourse for all.
Lehigh University becomes the best example of an inclusive educational institution among colleges and universities in order to sustain and strengthen our status as a leading institution for education and research where our diverse community thrives and succeeds.
