1. Approval of February 26th minutes (attached).
We decided that all votes should be reflected in the minutes as well as action items, but points of discussion do not need to be recorded in detail. (For instance, we voted and approved course proposals during this meeting.) Minutes were approved with minor changes.
2. Discussion and approval of course proposals.
Course and Curriculum sub-committee reviewed 170 course changes for discussion and vote.
Course and Curriculum sub-committee reviewed 50 program changes for discussion and vote.

Motion to approve all changes reviewed, with one small change to be made to the AI program proposal.

Unanimous approval.
3. Update: R&P 3.8.4 (Drop/Add Period). Guest speaker: Chris Mulvihill.
Issue has to do with cases in which student has a pending or confirmed case of academic dishonesty. Committee discussed and edited the text but a vote was deferred to the next meeting.
