Proposed change in R and P:

3.10 Scholastic Probation

3.10.1 The Committee on Standing of Students uses the following guidelines to evaluate whether students are in Good Standing, on Scholastic Warning, on Scholastic Probation, or Dropped for Poor Scholarship. Academic standing will be reviewed by the SOS Committee at the end of each academic term.

Rationale: Adding this last sentence charges the Registrar with calculating GPAs for students on scholastic probation after all terms including the Winter Session. Calculating GPAs after the Winter Session terms has not been done in the past.
