(4) EXPLANATION FOR NEEDED CHANGE

The Visiting Lecturers Committee has not met since before the pandemic (confirmed by Mark Wilson, Executive Director of Zoellner). Since the committee has been defunct for many years—and the efforts associated with it have distributed to other mechanisms for bringing visitors to campus—we believe it is time to remove the committee from R&P.

(5) EXPLANATION FOR WHY CHANGE ADDRESSES ISSUE

The committee would be removed from R&P, so there would be no confusion about its status.
